

Thursday, 22nd June

All lectures are held in the Ernst Reuter Haus near the Technical University Berlin.
The afternoon sessions are held at the Geodätenstand in the Technical University Berlin.

- 08:00 Registration (Ernst Reuter Haus, Foyer)
- 09:00 Welcome (Ernst Reuter Haus)
Prof. Dr.-Ing. Lothar Gründig
Technical University Berlin
Berlin, Germany
- 09:15 Introduction and Subject Overview
Mr. David Campbell
Geiger Engineers
New York, USA
- Computational Modelling Software
Mr. Erik Moncrieff, B.Sc.
technet GmbH
Berlin, Germany
- Physical Modelling
Prof. Roberto Machicao Relis, Ing.
Universidad Ricardo Palma
Lima, Peru
- 12:30-14:00 Lunch break
- 14:00-17:00 Afternoon Session 1 (Geodätenstand, 6th floor)
Three parallel strands:
- Hands-on physical modelling workshop
 - Hands-on computational modelling workshop
 - Corporate presentations
- 20:00 Special Guest Lecture (Sony Center, Cine Star 1)
Sony Roof
Mr. Johan Sischka, Dipl.-Ing.
Waagner-Biro AG
Vienna, Austria
-

Saturday, 24th June

09:00 Materials for Textile Structures (Ernst Reuter Haus)

Mr. Matti Orpana
Tensotech Consulting
Kokkola, Finland

Pneumatic Systems
Prof. Dr.-Ing. Rosemarie Wagner
Fachhochschule München
Munich, Germany

Thermal Energy in Membrane Structures
Prof. Dr. Bernd Baier
University of Essen
Essen, Germany

12:30-14:00 Lunch Break

14:00-16:00 Modelling Session 3 (Geodätenstand, 6th floor)

Three parallel strands:

- Hands-on physical modelling workshop
- Hands-on computational modelling workshop
- Participant presentations

16:00 Open discussion on physical models and close
